

GoodDeedShopping.com

Shop at Canadian online e-tailers and have a percentage of your purchase contributed to your non-profit group
- at no extra cost.

Our Intention

Our intention is to add **NEW** money to your non-profit group's fundraising efforts and not simply move the money from one fundraising activity to another.

Here's How it Works

Step 1: Connect to www.GoodDeedShopping.com

Step 2: Register as a shopper and select your favourite cause

Step 3: Then GO Shopping

Contributing is as easy as 1-2-3!

When a supporter purchases an item, GoodDeedShopping.com will automatically be notified of the sale. The percentage amount contributed will vary from e-tailer to e-tailer, averaging 3.5%.
